Global English Centre

Welcome to Global English Centre

Come and study in Malaysia—one of the best countries in the world

Few places can rival the stunning scenery of Kota Kinabalu, with its backdrop of rainforest, mountain ranges, golden sandy beaches, the sparkling coral reefs and easy access to the world famous Kota Kinabalu Mountain. The tropical climate makes for an easy going lifestyle, which cultivates a safe learning environment where people are warm, friendly and willing to help overseas visitors. The beautiful surroundings provide for a wide choice of adventure activities and sports such as diving and snorkelling, white water rafting, canoeing, kayaking, rainforest safaris, wildlife encounters and a whole lot more.

Global English Centre (GEC) provides a variety of course types and lengths tailored to suit all academic levels, from beginner to advanced. Small classes ensure personal attention can be provided to each student. Our extensive range of English courses are run by an international team of dedicated and highly qualified English teachers who are also native speakers of the English language.

Global English Centre is situated near the centre of the city business area with major shopping facilities a short walk away. All of the classrooms are fully air-conditioned, there is a computer room, and a wireless network throughout the building offers free internet and e-mail access.

Global English Centre provides the opportunity to learn English in a friendly atmosphere with qualified, caring staff. Combine this with the perfect tropical setting in one of Malaysia's most popular tourist destinations and the learning experience becomes a total lifestyle adventure.

One of Malaysia's major tourism destinations and the gateway for many international tourists visiting the mysterious island of Borneo, Kota Kinabalu is the Sabah state capital and lies alongside the South China Sea, overlooked by the soaring Mount Kinabalu, which is located just over 80 km away from the State Capital.

Kota Kinabalu is often known as KK in Malaysia and internationally, it is a major fishing and scuba diving destination and there are many tourist attractions in and around the city. Kota Kinabalu is a hub for commerce and industry in the South China Sea region, these two factors combine to make Kota Kinabalu one of the fastest growing cities in Malaysia.

Choosing GEC

Global English Centre

Student-Centred

We believe that you will learn more quickly and retain the knowledge when the things to be learned are personally interesting to you. The structure of set curriculum combined with the flexibility to accommodate your special interests give you a new experience in language learning and the freedom to flourish, bringing passion and personal interest into the classroom.

Award Winning Language Centre

The Ministry of Education Malaysia awarded GEC a 5 star rating for “Best Private Education Institution” in Sabah, Malaysia with an overall score of 98%. Since its establishment GEC has been honoured with this award for the last three years in a row, and is recognized in our industry as a leader in English education. We are a quality educator.

Streamlined Student Visa Processing

GEC has been authorized and licensed by the Malaysian Ministry of Homeland Security and Immigration Malaysia to issue student visas for all International students for periods of three, six, nine and twelve months. GEC’s international student department has been able to streamline the student visa application process for its students. This substantially reduces the amount of documentation required and the length of time it takes to issue the student visas. From the time of submission, student visas will be approved within three weeks.

Full English Immersion

GEC is located in the Southern suburbs of Kota Kinabalu city, therefore you will be situated in a safe environment. You will have plenty of free time for fun while trying out your new English skills. GEC arranged activities vary from tours, ordering in local restaurants, to shopping expeditions which encourage the use of English in normal everyday situations. After class you can travel together with your classmates in your own time to explore the local attractions that will give you memories that last a lifetime.

Exciting Activities

A GEC education is designed to maximize your language improvement and the GEC activities program complements this perfectly. Our activities are available throughout the week and weekends, so there is never a dull moment, in or out of the classroom!

Central Location

GEC is located in a secure mixed residential and commercial area of Kota Kinabalu’s Southern suburbs, one of the city’s most popular and attractive areas. In GEC surroundings you can find supermarkets, hair salons, a gym, a yoga fitness centre, laundry, a variety of shops, fresh fruit and vegetable stalls, dentist, hospital, cafés and coffee shops, and a multitude of restaurants providing comprehensive menus from a variety of countries.

Quality Inspected Accommodations and Homestays

GEC’s Student Accommodation Department can place you with a local homestay family, giving you a supported cultural living experience and a great opportunity to practice your language skills at home. If you want to live independently or with other students or travellers, GEC also offers student residences such as Student Lodges or Self Service Apartments.

Interactive Classrooms

At GEC, languages are taught in a dynamic and energetic way. We believe active communication in the classroom is the most effective way of learning – by speaking, students achieve fluency. We build your confidence and ability by practicing and using your new language skills with native speakers in conversation and other practical situations. You will learn from our knowledgeable and dedicated teachers, who have a combined 90+ years of experience in the education industry and know how to help students succeed.

Experienced Teachers and Supportive Staff

GEC teachers are required to have a university degree, a recognized English teaching certificate, and relevant teaching experience. All our instructors are native English speakers, and are carefully selected for their ability to motivate and inspire you. GEC staff welcome and support you with whatever personal or academic challenges you might face and participate with you in the various activities. All this interaction sets you up for success.

Diverse Student Population

GEC attracts students from around the world and is committed to maintaining a diverse student body—no single language group makes up the majority. At GEC, you will experience a truly cross-cultural learning experience, and will make amazing friendships that will last a lifetime!

Meet the Teachers

The teaching staff at Global English Centre are all native English speakers and have post graduate qualifications in teaching English as a second language as well as other experiences. The teaching staff are keen learners as well as teachers; they participate in professional development sessions, live classroom observations and keep up to date with the latest news and developments in English language teaching via professional journals, magazines and the internet. The team of teachers at GEC have a great sense of humour, and enjoy talking to students to find out which parts of the lessons were most useful or need more review!

Pronunciation

Improve your speaking faster

Good pronunciation is very important. Global English Centre has one of the best reputations for pronunciation training in Malaysia. We teach pronunciation and fluency skills with a teaching method unique to GEC. Good pronunciation training improves your listening and increases fluency. Our pronunciation method teaches you to speak with confidence in English.

Academic Preparation

Expand your potential and take your study further

At Global English Centre we know that different students have different goals, and that students learn in different ways. Our expert teachers fully prepare you for any course that you want to study, any test that you want to take, and help you work hard to achieve your academic best, so you can get the practice you need and the best possible results.

Speaking & Listening

The more you talk in English, the more you master English

In our courses we are constantly challenging students to speak English as much as they can. Practice is the only way you are going to improve, so we have built our courses to give you maximum conversation practice. As well as this, we give you a very high level of error correction. When mistakes are made our teachers help you to understand the mistake so that you don't repeat it. We even help you find new ways to practice with native speakers! The more you listen the better you will speak. Improve your speaking while making lots of new friends from all over the world!

Intercultural Communication

Invest in your future global career

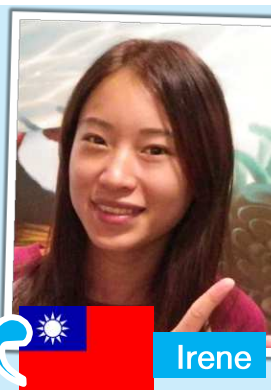

We live in a globally connected world and that world speaks English. International communication in the workplace is more important now than ever before. Our specialized international communication training prepares you to communicate and succeed in English conversations. We train you how to talk with people from different cultures, how to understand those cultures and how to adapt your communication so that you gain friends and the job of your dreams.

Student Testimonial

I'm very happy to have chosen GEC Kota Kinabalu as my study school. It is great to be able to live in such a beautiful and sunny country.

The GEC facilities are also fantastic for students, with big classrooms, a large common area and a really central location. The instructors are extremely passionate and dedicated to their students' personal improvement—I loved this a

International English Program

IEP program is the foundation course of GEC. Students are encouraged to utilize their skills through conversation, grammar, reading, listening, writing and vocabulary classes.

Program Description

The International English Programs commence every Monday and students may study for as many weeks as they like. These intensive courses are offered in Beginner to Advanced levels with a focus on: speaking, listening, reading, and writing skills as well as vocabulary, pronunciation and grammar.

Who is this Program for?

International English Programs are the best choice if you want to be able to use English better in a variety of situations. While all skills are taught, IEP emphasis is on speaking and listening, and includes a wide range of functional English to help you feel at ease in any situation. At all levels, International English is fun as well as instructive. You will start to feel more at home in the English-speaking world right from the beginning.

IELTS Exam Preparation

International English Language Testing System (IELTS) is an internationally recognized English proficiency test that is mandatory for entry into some vocational courses or tertiary studies.

Program Description

Our IELTS preparation course is specifically designed to ensure that students improve their English and develop their IELTS test-taking skills. GEC IELTS focuses on developing the strategies needed to confidently sit the test in all four language skill areas: listening, reading, writing, and speaking. Test practice is scheduled weekly throughout the course.

Who is this Program for?

The IELTS Preparation course is for anyone planning to attend a Western university or planning to work in or immigrate to a western country. Those interested in IELTS Preparation usually plan to undertake studies at institutions of higher learning, academic training, gain work experience, or take General IELTS Preparation for immigration or work purposes.

TOEFL Exam Preparation

Test of English as a Foreign Language (TOEFL) is an internationally recognized English proficiency test that is mandatory for entry into some vocational courses or tertiary studies.

Program Description

Our TOEFL IBT preparation course is specifically designed to ensure that students improve their English and develop their TOEFL test-taking skills. The course focuses on developing the strategies needed to confidently sit the test in all four language skill areas: listening, reading, writing, and speaking in integrated skill sections. Test practice is scheduled weekly throughout the course.

Who is this Program for?

Most students take the TOEFL IBT exam because they are applying for admission to universities in the United States or other English speaking countries especially for Masters programs. The universities use the TOEFL results to evaluate the Academic English proficiency of applicants. It measures your ability to communicate in English across all four language skills – listening, reading, writing and speaking – and opens doors for people who wish to study or work where English is the language of communication.

Summer and Winter Camps

Summer and Winter Camp programs offer an incredible opportunity to travel, learn about Malaysia and study English at the same time. Students enjoy lessons, accompanied with tours, excursions and social events.

Program Description

The GEC Summer and Winter Camp department organizes the camp programs at GEC for all ranges of students from 6 years of age up to 17 years of age. Whether the group size is 10 or 100, 3 days or 3 weeks in length, GEC has a camp program to suit your requirements. We strive to include experiences that the students will find interesting, unique, and fun. GEC camps incorporate interactive and effective English lessons, the beautiful sites of Kota Kinabalu, fun activities, tours and the opportunity to meet students from various countries around the world.

Who is this Program for?

Summer and Winter camp programs are for students aged 6 and above. GEC organizes camps for both individual students and groups of students from high schools, universities, specialist organisations, and corporations. The GEC camp programs are run for group sizes of 5 to over 100 students. GEC camp programs are easily organized, and can be tailored to suit specific requirements. GEC camp programs leave extra time to enjoy Malaysia and see some of the best attractions Sabah has to offer. Students in the camp program will have the opportunity to learn about other cultures from other International students. The camp can be further adapted to suit specific needs, such as organized visits to local high schools and universities for cultural exchanges.

◀ Lok Kawi Zoo

This family-oriented park covers about 280 acres of land and features exotic and endangered species such as the Sumatran rhinoceros, the Proboscis monkeys, the Malayan tigers, the Orangutan, the Borneo Pygmy elephants and colourful hornbill birds to name a few.

◀◀ Klias River Cruise

Pass through paddy fields, local villages and oil palm plantations to the Klias River jetty. The river cruise along the wetland and mangrove forest reserve which is inhabited by the Proboscis Monkeys, long tail macaque monkeys, silver leaf monkeys and other interesting wildlife. As darkness falls witness nature display the light of millions of fireflies along the riverbank and nearby swampy area.

◀ Mari Mari Cultural Village

This village journey will go through long roads surrounded by a rich spectrum of greenery and overarched by wild blue skies. Teleport back to the times of ancient Borneo through the magical display of unique ingenious architecture, simulated lives and ritualistic ceremonies.

◀◀ City Mosque

Kota Kinabalu City Mosque or affectionately known as the Floating Mosque, is one of the most outstanding pieces of architecture in Sabah. Built on a 2.47 acre site at Likas Bay, the Kota Kinabalu City Mosque is the epitome of modern-day Islamic architecture. Situated near the sea, it can accommodate from 9,000 to 12,000 people at a time. The Mosque with its gold inlaid onion dome is the largest dome of its type in Malaysia.

◀ Kinabalu Mountain

Mount Kinabalu towers 4095 meters (13,435 feet) above sea level. It is one of the highest mountains in South East Asia and is also one of the most accessible and spectacular mountains in the world. Ever changing, it is the mountain of tropical rainforest, colourful blossoms and golden sunset, but also dark and violent storms.

◀◀ Night Markets

Markets are interesting and are the life and blood of a city, and while clothing and jewellery markets are interesting, the necessity of eating makes food markets busier and more important. The night market in Kota Kinabalu, which sets up at around 5 pm, adjacent to the Filipino Market, is easily one of the best markets ever and offers the opportunity to try a variety of food from the diverse cultures of Malaysia at inexpensive prices.

◀ Scuba Diving & PADI License
